Competent authorities of foreign  
goverments in the field of transport

The Ministry for Communities, Territories and Infrastructure Development of Ukraine is the central authority within the system of central executive authorities responsible for forming and implementing state policy in the field of road transport has the honor to inform you about the following.

As noted earlier, the system «eCherha» for cargo vehicles has been implemented at 16 international road checkpoints. As of August 1, 2023, buses will also be allowed to cross the checkpoint «Yahodyn-Dorohusk» only after pre-registration in the «eCherha». For this purpose, on the website <https://echerha.gov.ua/>, it should be selected the type of vehicle «bus», choose the checkpoint «Yahodyn – Dorohusk. For buses», fill in the information about the driver and the bus, check all the entered data and click «Join the queue». It should be noted that the bus schedule remains unchanged. Passenger carriers registering with «eCherha» should arrive at the checkpoint at the time specified by the bus route. During the test period, the system will not offer the time of arrival at the checkpoint for buses. Also, the bus driver can extend the time of checkpoint once for 4, 6, 8 or 10 hours if he or she needs more time to arrive. You can also change the driver or bus information once. In this case, the place in the queue will be saved.

Started from August 07, 2023 the appropriate changes to the buses crossing with the use «eCherha» system will also be implemented at the checkpoint «Ustyluh-Zosyn».

At the same time, we would like to inform you that the Ministry for Communities, Territories and Infrastructure Development of Ukraine is planning to scale this project for buses to other checkpoints since September 1, 2023, the implementation of which will be informed to the competent authorities of foreign countries additionally.
